ELIGIBILITY

Entries may be accepted from yachts at the absolute discretion of the Sailing Committee.

The acceptance of an entry of any boat shall not create a precedent for the consideration of an entry by any other boat.

I agree to be bound by the Australian Sailing (AS) Racing Rules of Sailing and by all other rules that govern the event and I acknowledge that Rule 3 - Decision to race, places the sole responsibility for deciding to participate in a race or to continue racing is mine alone. I certify that I have access to an electronic copy of the AS "Racing Rules of Sailing 2025 – 2028".

Before racing, I will effect not less than \$10M Legal Liability insurance and I will ensure that the boat's crew are aware of the undertakings herein.

ELIGIBILITY FOR HELMSMAN AND CREW

Entry is open to owners of boats who are members of clubs affiliated with AS. All crew members must comply with the AS prescription to RRS46 that all participating crew members shall be a member of a club affiliated to AS or hold a valid Sail Pass.

Sail Passes

SailPass is a temporary membership to allow non-members of an AS club to participate in sailing events in accordance with the AS prescription at Racing Rules of Sailing 46. Temporary membership of AS through SailPass provides participants with cover under the AS Personal Accident insurance for the day/s that the SailPass applies. LSC SailPass is limited to four SailPasses per year. There is a link to SailPass on the home page of the LSC website at www.lindisfarnesailingclub.org.au This can be accessed from a mobile phone very easily allowing non-members to obtain a SailPass on the spot prior to boarding a boat to take part in a race. A SailPass can also be obtained through BYC.

In signing this document, I acknowledge that I have read the sailing instructions relating to the event/s that I have entered.
